Welcome Back!!!!

Happy New Year! We are so excited to have you with us for our 2019 Spring session. We welcome many new teachers and new students on both campuses...let's assist them in any way we can to make sure that they feel a very warm welcome. The spirit of People Program is thriving, and we want it to reach every corner of the Greater New Orleans area. RAH!

New Teachers: Kathy Randels, Richard Waller, Linda Folse, Ellen Goldring, Scott Hart, Kaitlyn Von Buelow, Elaine Roark, Mary Ntukugu, Fr. Stephen Craft, Toni Newton, Jim White, Jane Tiller.
Thank-you for your participation!

SAVE THE DATE!!!!

Sunday, March 24, People Program Annual Gala will be held at UNO.

We are proud to announce that rhythm and blues singer and New Orleans native, **Sharon Martin**, will be our honorary chair. Be ready to get on down to the tunes that Sharon will share. She will **ROCK THE HOUSE!!!!** Tickets are once again \$60 and will go on sale February 11. Tables can be reserved as long as full payment for 10 seats is received.

Our auctions and sponsorships are integral to the success of the gala. New Orleans is a "small town" when it comes to neighbor knowing neighbor. We each are acquainted with **SOMEONE** who owns a business or with someone whose business we frequent.

Please take time to consider asking for a donation for our gala...a sponsorship, gift card, an item, etc. We will have letters available for all students and teachers to use when requesting a donation. Please see Jan or Delores regarding the process involved in asking. **WE NEED YOU!!!!**

**Mardi Gras Holidays:
Monday, March 4 – Friday,
March 8.**

Many thanks to the following classes that so generously gave of their time and talent to entertain the folks at Ferncrest Manor on December 7:

Laura Guerin Hebert's Jazz Dance, Patti Ravain's Tap, Brandt Broom's Tap and Contemporary Dance, Pat Ward's Poetry, and Mary Ruth Shank's Chorus. **KUDOS!**

Name tags are available for all teachers and students on both campuses. Please ask the front desk or Doris where they are located. We need to know everyone's name!

When a new year begins, it makes us aware of how quickly time passes especially as we get older. Reason: too much routine. It makes the days and years start to blur. To keep time from flying by, “Go somewhere different and do new things on the weekend. On Monday, when you look back, the weekend will feel as if it were a longer period of time.”
