songs! Appreciation goes to all who decorated hats that made our tables sparkle. Our silent and live auctions were supported by many businesses and People Program members. A list will be published next week. WOW! Plans are already being made for next year. See you there!

Laugh Lines.....

An elderly couple had dinner at another's house, and after eating the wives left the table and went into the kitchen.

The two gentlemen were talking and one said, "Last night we went out to a restaurant, and it was really great. I would recommend it very highly."

The other man said, "What is the name of the restaurant?" The first man thought and thought and finally said, "What is the name of that flower you give to someone you love? You know. The one's that red and has thorns."

"Do you mean a rose?"

"Yes, that's the one," replied the man. He then turned towards the kitchen and yelled, "Rose, what's the name of that restaurant we went to last night?"

Definition of "indentured servant": Senior working part-time to pay for false teeth."
