Laugh Lines.....

You don't need to be a weatherman...

It was two o'clock in the morning, and a husband and wife were asleep, when suddenly the phone rang. The husband picked up the phone and said, "Hello...How the heck do I know? What, am I the WEATHER man?"...and promptly hang up the phone. His wife rolled over and asked, "Who was that?" The husband replied, "I don't know. Some guy who wanted to know if the coast was clear."

Did you hear the one about the two bed bugs? They were so in love, they were wedded in the spring!

A parachutist jumped from a plane, only to discover that his chute was broken. Plunging to the ground, he saw another man on the way up. "Hey", he yelled. "Do you know anything about parachutes?" "No", shouted the man. "Do you know anything about gas grills?"
