Our silent and live auctions are a huge part of the success of our Gala. Just think if EVERYONE asked AND

received a restaurant or shop gift card to be donated to our auctions! Maybe a gift item from a store could be a donation, or a tour, or hotel stay. Most of us know SOMEONE who is connected in some way to these venues.

Donation letters and forms are available on each campus for you to use in your solicitation. Please make sure the form is completed by the vendor before you hand it in. **Deadline: Monday, March 12.**

Decorated clay pots and plant sticks for the Gala tables are due Monday, March 12. Please be prompt!

Please bring unwanted Mardi Gras beads to the Lakeshore Campus through March 22. The beads will go to Strive, Inc. which greatly enhances the lives of people with developmental disabilities by providing a continuum of programs and services. A bin has been secured for the Lakeshore campus; members on the west bank can give their beads to Sr. Janine on Wednesdays. Please do not plan

on storing them on Holy Spirit campus.

Mechanic v Doctor

Allan, a mechanic, was removing a cylinder head from a Harley-Davidson motorbike, when he spotted a world famous heart surgeon in his garage. The heart surgeon was waiting for the service manager to come and take a look at his bike.

Allan shouted across the garage, "Hey, Doc, can I ask you a question?" The famous surgeon, a bit surprised, walked over to Allan. Allan straightened up, wiped his hands on a rag and asked, "So Doc, look at this engine. I also can open hearts, take valves out, fix'em, put in new parts, and when I finish, this will look just like a new one. So how come I work for a pittance and you get the really big money, when you and I are doing basically the same work.?"

The surgeon paused, smiled and leaned over and whispered in Allan's ear, "Try doing it with the engine running."
