In Memoriam

- Edgar Dalson
(Husband of Joyce Dalson)

I know you have been laying awake at night wondering why baby diapers have brand names such as “Luvs”, “Huggies”, and “Pampers”, while undergarments for old people are called “Depends”.

Well, here is the lowdown on the whole thing:

When babies “mess” in their pants, people are still gonna Luv’em, Hug’em, and Pamper’em.

When old people do the same, it “Depends” on who’s in the will.

Glad I got that straightened out so you can rest you mind.

Maxine

A woman lost her husband who had \$30,000 to his name. After everything had been finished at the funeral home and cemetery, she told her closest friend that there was none of the \$30,000 left. “How can that be?” the friend asked.

The widow thought, and said, “Well, the funeral cost \$6,500, I made a donation to the church for \$500 and spent another \$500 on food and drinks. The rest went for the memorial stone. The friend was astonished. “\$22,500 for the memorial stone? My God, how big is it?”

The widow replied, “Three carats.”
