Monday, August 20...Start of Fall session.

As we begin plans for our summer and fall sessions, we are always searching for new courses

and volunteers who may want to teach. What can YOU teach? Perhaps you know someone who would love to share his/her expertise. Help us find these gems!

We are considering a German language class for the summer. Let us know if you are interested. Sign up at the front desk!

CITY OF NEW ORLEANS

People Program will celebrate the New Orleans Tricentennial on Friday, April 27, 11 a.m. on the Lakeshore campus. The program will feature 2 speakers: Greg McKnight and Al Jackson. We hope to have New Orleans music incorporated, and lunch

will follow. If anyone has something to contribute to this event, let Jan know! Holy Spirit campus is surely invited! (Let Delores know if you will attend.) Laissez Les Bon Temps Rouler!

Once again, we will be collecting food and other personal care items for **Lantern Light**, a daytime homeless shelter. You can pick up a list of needed items from the front desk. Your generosity is greatly appreciated.

Our heartfelt thanks goes to Pam and Harold Engle who worked tirelessly to clean and refresh the Lakeshore patio/courtyard. We hope to see our members make use of this wonderful venue.

GIVE NOLA DAY IS TUESDAY, MAY 1.

This is a chance for everyone to contribute to People Program since a percentage that is donated will be matched by The Greater New Orleans Foundation. Information will be given in the future as to how to go on line and donate. Members on campus can also donate with cash or check on that day. Be looking for the big ORANGE reminders!

If you are a member of your Neighborhood Association, Garden Club, Civic Association, or any other group, please let Jan or Delores know. We would love to come to a future meeting and share information about People Program.

In Memoriam

Thom Herrington
(Husband of Mary Herrington)

Hmmm..... How come women's magazines will feature twelve pages of recipes and then follow up with twenty pages of diet tips?

They say that age is all in your mind. The trick is not letting it creep down into your body.

A woman phoned her husband at work. "I'm really sorry, honey," he told her, "but I don't have time to talk. I'm swamped with work."

She said, "This will only take a moment. I've got some good news and some bad news for you."

“Look”, he said again, “I’m really busy! Just give me the good news, and be quick about it.”

“Well, here goes: the air bag works.”

Be true to your teeth, or they will be false to you.
