**Just a pleasant reminder about class registration:**  
When students choose a class, we hope that they have a sincere commitment to actually attend the class. Please don't put your class selection on your registration form if you are wishy washy about attending. The staff is committed to your active

**Laugh Lines.....**

**11 People on a Rope.....**

Eleven people were hanging on a rope under a helicopter: 10 men and 1 woman.

The rope was not strong enough to carry them all, so they decided that one had to leave, because otherwise, they were all going to fall.

They weren't able to choose that person, until the woman gave a very touching speech. She said that she would voluntarily let go of the rope, because as a woman, she was used to giving up everything for her husband and kids or for men in general, and was always used to making sacrifices with little in return.

As soon as she finished her speech, all the men started clapping.
