In Memoriam

Anna Rita Williamson

A lawyer opened the door of his BMW when suddenly a car came along and hit the door, ripping it off completely. When the police arrived at the scene, the lawyer was complaining bitterly about the damage to his precious BMW.

“Officer, look what they’ve done to my Beemer!” he whined. “You lawyers are so materialistic, you make me sick!” retorted the officer. “You’re so worried about your stupid BMW, that you didn’t even notice that your left arm was ripped off.” “Oh my God”, replied the lawyer, finally noticing the bloody left shoulder where his arm once was, “Where’s my Rolex!”

A boy was having a lot of difficulty in French class. To encourage him, his teacher said, “You’ll know you’re really beginning to get it when you start dreaming in French.”

The boy ran into class all excited one day saying, “Teacher, teacher! I had a dream last night and everyone was talking in French.”

“Great!” said the teacher, “what were they saying?”

“I don’t know,” the boy replied. “I couldn’t understand them.”
