WOW! Another semester on the books and in our hearts! The love and laughter that echo daily in the halls of People Program are reminders of just how many blessings we all experience from this most delightful organization. The universal need for creativity and community are always met, which ultimately reflects the mission “that all may be one”. Here’s a toast to teachers, students and staff that make this gumbo pot so tasty! Have a safe and serene summer.

Just a pleasant reminder about class registration:

When students choose a class, we hope that they have a sincere commitment to actually attend the class. Please don’t put your class selection on your registration form, if you are

wishy washy about attending. The staff is committed to your active engagement at People Program and hope to assist in any way we can.

The Last laugh....

John took his grandson to the grocery store one day. The boy chattered non-stop until he got to a question that thoroughly stumped him:

“Grandpa, where do the coupons go after we use them?”

“I don’t know,Bobby,” replied Grandpa.
 “Where do you think they go?”

“Heaven?” asked Bobby.

“Only the redeemed ones,” replied Grandpa.
