WELCOME TO OUR 2019
SUMMER SESSION!

This will be the only newsletter for the session, so please enjoy! June, July and August birthdays will be published separately next week.

The Community Support Grant Program sponsored by the New Orleans City Council/Harrah's Casino recently awarded a grant to People Program. We are most grateful to Councilperson Kristin Giselson Palmer for this recognition.

Kudos to all who participated in and attended our Lakeshore campus and Westbank campus showcases and displays. It was awe-inspiring to see the work and dedication that made these events

possible. BRAVO- PEOPLE PROGRAM!

Thanks to **Wilmer Jacobs** and **Catherine Bell** for volunteering to work the front desk for summer sclasses. Your support is crucial to a smooth running session.

Summer Closure Policy

When, storms, hurricanes or other emergencies are imminent which calls for the closure of government offices, People Program will close or implement an early dismissal. Please check your e-mail, facebook or the webpage (www.peopleprogram.org) for announcement confirmation. Please let us know if your e-mail needs to be updated.

Happy Father's Day!!!!

As the spring semester was coming to a close, People Program lost one its staunchest supporters. **Sr. Carolyn Brady** oversaw the finances, spear-headed the board, and generously donated a part of family inheritance to the program. She was devoted to the success of this unique adventure, and we will miss her greatly.

Registrations for the fall session are still being taken. Pass the word along to members and those that may be looking for excitement in their daily routine. **YOU ARE OUR BEST AMBASSADORS.!**

Each One Reach One.....When a member refers a new student who registers for classes, a \$25 refund will be sent to the person who referred. Make sure that your

referral mentions who sent her to
People Program.

Laugh Out Loud

Two kids were spending the summer with their grandparents. After a week had passed, Grandma overheard the two talking as they passed the bathroom where she kept the scales.

“Whatever you do,” the elder instructed his younger sibling, “don’t step on that square thing in the corner!”

“Why not?” asked sis.

“Because everytime Grandma does,” the boy said, “she lets out this awful loud scream!”

A state trooper saw a woman driving and knitting at the same time. He pulled beside her, and yelled, “Pull over!.”

“No officer,” she shouted back, “it’s a scarf!”
