WELCOME TO THE 2018 FALL SESSION!!!!

Excitement is in the air as we open our doors to the new fall session. Welcome to all new students and teachers AND to those returning. Your presence is the core of what this unique community is all about. May you enjoy every moment!

People Program is a sponsored ministry of the Congregation of St. Joseph. The core values of the Congregation are framed and hang in a prominent place on each campus. Please take time to read and become familiar with these transcendent principles. At People Program we strive to live the overall mission, "That all may

be one". Our campuses are rich with diversity, and we always witness the acceptance of differences. Leading with love is vital to the allure and to the beauty of who we are as a community.

On a roll!!! Help us get the word out! Many members may belong to a club or civic

organization that schedules guest speakers from time to time. Please let one of the staff members know if People Program might be able to present information at a meeting. This is vital in assisting us in growing our enrollment.

Flu shots will once again be offered on each campus. Date and time to be announced.

People Program closure and early dismissal policy:

People Program will close OR offer early dismissal when one or more of the following schools announces the same: Orleans Parish Public, Catholic, Magnet or Charter schools. These announcements may be due to weather conditions or any other emergency.

Lakeshore Campus FALL FEST is scheduled for October

15, 16, 17 and 18. We will offer a fun boutique for exciting shopping, baked goodies and lunch each day. Once again, we need three classes or groups of classes to volunteer to donate lunch for Tuesday, Wednesday or Thursday. The staff will provide lunch for Monday. Get ready for a festive atmosphere!!

The total donation for Give NOLA Day held last May was **\$8,794!** We are forever grateful to all of our generous donors for their undying support of People Program.

Laugh Lines.....

Because I felt like my body had gotten totally out of shape, I got my doctor's permission to join an aerobics class for seniors. I bent, I twisted, I gyrated, jumped up and down and perspired for an hour. But, by the time I got my leotards on, the class was over.

An elderly woman decided to prepare her will and told her preacher that she had two final requests. First, she wanted to be cremated, and second, she wanted her ashes to be scattered over Walmart. "Walmart?" the preacher exclaimed. "Why Walmart?" "Then I'll be sure that my daughters will visit me twice a week."

I very quietly confided to my friend that I was having an affair. She turned to me and asked, "Are you having it catered?" THAT is the definition of OLD!
