Laugh Lines....

Mail from the bank was piling up for my daughter, who was away at college. So I called her. "Open one up and see what it is," she said. I unsealed an envelope. "It says your account has insufficient funds." "That's got to be a mistake," she said. "I still have plenty of checks left."

My nine year old and I passed a store that read "Watch batteries Installed - \$5." He seemed confused. "Who would pay to watch batteries installed?"

My friend, a long time fan of the three stooges, owns a watch with a picture of Moe, Larry and Curly on its face. One day while we rode in an elevator, another man asked for the time. That's when he noticed the three faces on my friend's watch. "How nice," he commented. "Is this your family?"

In a discussion about America in the 60's, I asked if anyone had heard of LBJ. One of my students asked, "Do you mean LeBron James?"
