Laugh Lines.....

Ever Wonder....

Why the sun lightens your hair and darkens your skin?

Why don't you ever see the headline; "Psychic Wins Lottery?"

Why is "abbreviated" such a long word?

Why is it that doctors call what they do "practice"?

Why is the man who invests all your money called a broker?

Why is the time of day with the slowest traffic called rush hour?

Why isn't there mouse- flavored cat food?

You know that indestructible black box that is used in airplanes? Why don't they make the whole plane out of that stuff?

If con is the opposite of pro, is congress the opposite of progress?

Why didn't Noah swat those two mosquitoes?
