A Heart Full of Thanks!

The heartbeat of People Program is our teaching staff who donate so much time to providing mind and body stimulating classes for all of our members. We would like to recognize the new teachers who have come on board this semester, and who have already made a healthy impact on their students. **The West Bank campus** has embraced Beginning and Advanced Line Dancing teacher, Gary deLeaumont, Piano teacher, Joseph Hoppe, Beginning Guitar and Piano instructor, Elizabeth Goodgion, and Intermediate Drawing instructor, Reachel Mayeur. **The Metairie campus** has welcomed Jerry McCurdy, who shares his expertise in New Orleans History, Joe Vaughn, Ballroom Dancing

instructor, Patsy Engles, leader of Dancercise, Sr. Anne Bergin, Machine Quilting instructor, and Sylvia Versowsky, teacher of Beginning Sewing.

The Lakeshore Campus has been aglow with the expertise of Russell Carl, who teaches New Orleans History, and Pamela Hebert who leads a great discussion in Book Club. **Sr. Shirley Bodisch** shares her knowledge of American Sign Language at the Metairie AND Lakeshore campuses. Kudos to our new teachers for continuing to allow People Program to be a vibrant and enthusiastic community.

AYO SCOTT: GUEST ARTIST FOR BOUNTIFUL BOUTIQUE

We are pleased to announce that Ayo Scott, local artist and designer, is our featured guest artist on Saturday, 11/6/10. Looking for a “cool” gift for that young family member? You’ll find it in Ayo’s classic T shirts. Come check him out!

FALL FESTIVAL: 11/5-6

The staff and volunteers are working to make sure that this year’s festival offers you many opportunities to pass a good time. Charlene Vernotzy is chairing *An Art Affair* at Holy Spirit and Connie Bell, Pat Bennett, and Laura Guerin Hebert are members of the steering committee for the *Bountiful Boutique* at Lakeshore. There are many ways you can contribute to the success of our events, in addition to attending. Whether you choose to help us advertise the events, contribute something (art, handicrafts, baked goods), purchase raffle tickets, or volunteer to help during the events, your service

will help us achieve our twin goals of fun and fund raising. Sign up sheets are available at all 3 campuses. THANKS!!

We are looking for donations of small, fancy metal tins that we can fill with specialty candies or cookies. We will sell them at our Fall Festival bake sale on Sat., Nov. 6. You can see samples of size and shape at the Metairie and Lakeshore campuses.

Catholic Charities

The Independent Living Center/Hope Chest can use good, clean clothes and usable housewares to assist young people going out on their own for the first time. Please call Delores Hall at 504-834 0262 or Mary Bose at 504-361-3632. Thanks!

CAMPUS NEWS:

Lakeshore: Flu shots will be available on Monday, October 4 between 11 a.m. and 1 p.m.

Metairie: Barbara Carter is doing well and is expected to return home shortly.

West Bank: Doris is taking the names of volunteers to serve on these committees for “An Art Affair” on Nov. 5: Silent Auction, Art Show,

Performance, Cocktail Party, Ticket Sales, Set-up, and Break-down. Immediate action is needed!

CONGRATULATIONS!

Congratulations to Brendolyn McKenna on the birth of her grand daughter “Avianna O’Hara” on 9/27/10 in Atlanta

Congratulations also to lone Bertrand on the birth of her great grandson, “Claiborne J. Rhodes” on August 3.

PLEASE PRAY FOR:

- Barbara May
- Elizabeth Poole
- Barbara Carter
- Jane Deas
- Cecilia Nadeau
- Beverly Manschot
- Martha Craft
- Johnny Helmstetter

Capt. George Peterson

The Nutria Industry

I was talking to my cousin, Hebert, in Lafayette, and I asked him, “Since you’ve been laid off, what’ve been doing?” “I got me a nutria Farm,” he said.” What are you gonna do with that?” I asked him. “Oh, don’t you see all those products they advertise that they make out of nutria nowadays? For the women, there is that beauty soap Nutriagena. If you’re overweight, there is that Nutria Sweet.” “Wait a minute, Hebert, you got the right idea, but you’re on the wrong track! If you want to make some big money you’ve got to get a government contract. Shoot, man, with all them nutria powered submarines they got up and down the Mediterranean there....You know how many nutria it must take to push a big boat like that?” Hebert had to have the last word. “Oh, I was thinking about getting some of them LSU scientists to build a nutria reactor.”
“Shoot, Hebert. When I was six years old I had me a nutria reactor. You get you a six-foot

cane pole and a steel-jaw trap
– and you gonna make a nutria
react!”
