Volunteer Spotlight

Milton Hanauer is a computer and digital photography guru. His passion comes from a very simple acknowledgement, "The computer and my mind 'think' alike...in a very orderly fashion." Milton's vast technology knowledge came from a 24 year career with Minolta Camera sales where it eventually became a necessity for him to transition to computers. It all "clicked"! Milton now shares his expertise with students on the Metairie campus. He loves to teach because it gives him a stage "to be a comedian", something he has always dreamed of. Milton enjoys "simplifying" computer transactions for his enthusiastic students. Since he recalls having a fear in the

early going, he now takes delight in assuring everyone that it can indeed be "easy". Milton is the father of Sarah, who studies tax law in Baltimore, and son Craig, a full time participant in the National Guard. Thanks, Milton, for giving People Program students a TRUE photo op!

Definition of Volunteer:
(N) Someone who acts without profit, payment or any valuable consideration.

LANTERN LIGHT DONATIONS

People Program staff and volunteers delivered 852 items to Sr. Vera at the homeless shelter behind St. Joseph's Church on Tulane Avenue. Your generosity will touch the lives of hundreds of our neighbors whose fortunes are

different than ours, and your blessings will be many fold. Thank you for your kindness and compassion.

FALL FESTIVAL Saturday, November 5, 10 AM to 2 PM.

Thanks to those who have already volunteered to be a part of our annual fall festival. Lynn Dave's colorful flyers are ready for distribution to all your friends and family. Please take several. Many of you have donated treasures for our thrifty \$10.00 bag sale, and our bakers are planning what to offer for our sweet tooth. Plan now to come have some **gumbo** and then join us in **line dancing** outside under our tent. We are going to enjoy the day in the company of those who join us to "pass a good time." Don't miss out on the food, the fun, the raffles, and the opportunity to pick up a unique gift for a good price.

Coffee and Conversation
Topic: “The Radical Call of the Gospels”

Are you hungry for some true “soul food”? Come and listen in awe as Alison McCrary, CSJ Candidate and Civil Rights Attorney expounds on incorporating our faith with daily action.

GREEN TIPS

Give the Gift of Life

If you are looking for extra ways to decrease your carbon footprint, planting a tree might be just the right fit for you. Planting a tree is not only an interactive experience, but it’s a great way to note a special event like a birthday, baby’s first Christmas, or an anniversary. Most tree purchases are made as a donation to non-profit organizations. (see National Arbor Day Foundation.)

Laugh Along.....

A man and his nagging wife went to Jerusalem. While they were there, the wife passed away. The undertaker told the husband, “You can have her shipped home for \$5,000, or you can bury her here in the Holy Land for \$150.” The man thought about it, and told him that he would just have her shipped home. The undertaker asked, “Why would you spend \$5,000 to ship your wife home when it would be wonderful to be buried here and you would only spend \$150?” The man replied, “Long ago a man died here, was buried here, and three days later he rose from the dead. I just can’t take that chance.”

College News

College student: “Hey, Dad! I’ve got some great news for you.!”
Father: “What, son?”
College student: “Remember that \$500 you promised me if I made the dean’s list?”
Father: “I certainly do.”
College student: “Well, you get to keep it.”

“Within you there is stillness
and sanctuary to which you
can retreat at anytime and be
yourself.”
