October 16, 2017

As we begin to plan for the 2018 Spring semester, we are reaching out and asking that students might utilize their talent by teaching a new class or perhaps that they ask a friend or relative to volunteer to teach. New classes greatly enrich our program, and we are forever grateful for the great job that our teachers do. Help us expand and improve People Program!!!!

Why do the French like to eat snails so much?
They can't stand fast food.

Why did the physics teacher break up with the biology teacher?
There was no chemistry.

I asked my daughter if she'd seen my newspaper. She told me that newspapers are old school. She said that people use tablets and handed me her ipad. The fly didn't stand a chance.

She: I have a doctor's appointment today, but I really don't want to go.
He: Just call in sick.
