Welcome Aboard

People Program has always been blessed with caring and kind members and staff. This blessing has been realized in Delores Heglar who has been the Associate Director on the West Bank for 71/2 years. With Delores ending her tenure in December, we say hello to a new staff member, Marcia Hubbard. Marcia's education background and experience have provided her with a grand preparation for her many responsibilities. She served as a retail buyer and manager for 20 years and then as a Home Economics teacher at Our Lady Academy in Marrero for 7 years. She is no stranger to Holy Spirit Parish since she was Coordinator of Ministries for 4 years. Marcia, who is married to husband Jim and has 3 children and 3 grandchildren, believes that her past has allowed her to fall

in love with people and to be fully aware that she will be working to serve them. Since this is Marcia's second semester at People Program, she has witnessed firsthand the spirit of camaraderie and creativity that fills the halls on the West Bank. Marcia anticipates the excitement of having a fresh awareness of new opportunities for the Program and of how to implement them for future enrichment. She can't wait to get acquainted with EVERYONE as she weaves People Program into the tapestry of her life.

Laugh Along.....

How Adam Got Eve

Adam was hanging around the Garden of Eden feeling very lonely. So God asked him, "What's wrong with you?" Adam said that he didn't have anyone to talk to. God said that He was going to make Adam a companion, and that it would be a woman. He said, "This pretty lady will gather food for you, she will cook for you, and when you discover clothing she'll wash it for you. She will always agree with every decision you make, and she will not nag you, and will always be the first to admit that she was wrong. She will bear your children, and never ask you to get up in the middle of the night to care for them. She will NEVER have a headache. Adam asked God, "What will a woman like this cost?" God replied, "An arm and a leg." Then Adam asked, "What can I get for a rib?" Of course, the rest is history....!! (Thanks to Nola O'Connor)
