It's Fall Fest week at the Lakeshore Campus! Come and shop the Bootique, have lunch and satisfy your sweet tooth by purchasing dessert from the bake sale! Each day is a different lunch and the choices will be posted on the big white board. (\$10)

Attention teachers: Planning for the Spring semester is underway. We are always searching for new instructors and new course titles. Please let us know of anyone that might like to volunteer and teach at People Program. Maybe YOU!

You have probably received your Annual Appeal letter already. Help People Program to remain a beacon for healthy and happy aging! Your generous spirit is greatly appreciated!

Both campuses are collecting spare change for Bahamian Relief. (No bills) Look for the Kentwood jugs for coin placement. These are our dear neighbors, and our assistance will be greatly appreciated. All donations will be given to the Archdiocese for distribution.

Lantern Light, a day homeless shelter, is seeking donations of food and toiletries for men and women. Please pick up a list of needed items from the front desk. Donors can deposit items in marked bins on each campus.

People Program 50/50 continues on! See Doris or Lakeshore's front desk for tickets. Every two weeks a name will be pulled from each campus for a special prize. The general drawing will be the week before Thanksgiving. Yes! You will win CASH!!!!

People Program closure and early dismissal policy: People Program will close OR offer early dismissal when one or more of the following schools announce the same: Orleans Parish Public, Catholic, Magnet or Charter schools.

These announcements may be due to weather conditions or any other emergency.

Chuckle Time.....

Why was the scarecrow promoted?
Because he was outstanding in his field!

The worst thing about insomnia is discovering all the new hours of the day that you’re hungry.

My girlfriend and I are sharing an Amazon account. We’re Prime-mates.

In 2018, a mysterious power outage message in Lake Worth , Fla., warned the public of a “zombie alert”. No one is quite sure how the message was sent, but one local official had the dubious task of reassuring the citizenry: “I want to reiterate that Lake Worth does not have any Zombie activity currently.” Currently?

According to the University of Kentucky, the sound of laughter is so common and familiar that it can be recognized if played backwards!
