#### **Annual Appeal "First Responders"**

Our Annual Appeal donations are off and running, and we would like to recognize those who have responded so quickly. Our Appeal is essential to the primary functions of People Program since student fees pay only one third of the budget. Our goal of \$25,000 was reached last year, and this year's stretch will be \$30,000! We can do it when everyone contributes at any level. We will continue to recognize donors in future newsletters.

**Tips to have a GREEN Halloween.....**

Instead of giving out high -sugar candy, consider giving pennies for UNICEF, pencils, erasers, or temporary tattoos.. besides reducing the waste of all the single serving packaging, you'll be providing a healthy alternative to candy. Consider small boxes of raisins with recyclable packaging. Decorate with an edible pumpkin. When Halloween is over make a pie with it or roast the seeds. Purchase your Halloween and autumn décor from a farmer's market...buy local!

**Laugh Along.....**

A pastor got up one morning and announced to his congregation, "I have good news and bad news. The good news is we have enough money to pay for our new building program. The bad news is it's still out there in your pockets."

Sunday after church, a mom asked her daughter what the lesson was about. The daughter answered, "Don't be scared; you'll get your quilt." Needless to say, the mom was perplexed. Later in the day, the pastor stopped by for tea, and the mom asked him what that morning's Sunday lesson was about. He said, "Be not afraid, thy comforter is coming."
