In Memoriam

Martha Crean Wyatt
(Sister of Lee Crean)

Two people were walking home after a Halloween party and decided to take a shortcut through the cemetery just for laughs. Right in the middle of the cemetery they were startled by a tap-tap-tapping noise coming from the misty shadows. Trembling with fear, they found an old man with a hammer and chisel, chipping away at one of the headstones. "Holy cow, mister," one of them said after catching his breath, "You scared us half to death – we thought you were a ghost! What are you doing working here so late at night?" "Those fools!" the old man grumbled. "They misspelled my name!"

On a child's superman costume, the tag said, "Wearing this costume does not enable you to fly."

The jack-o-lantern should be the symbol for a politician; a head with nothing in it."
Milton Berle
