ANNUAL APPEAL

The essence of People Program is the ability of its members to give in overflowing abundance. From our volunteer teachers to those who assist in every day operations, we are truly blessed with this spirit of generosity. Last year our Annual Appeal hit record highs as once again we witnessed the devoted support of so many members and friends. We look forward to another record breaking year.

Your unconditional loyalty to People Program allows us to share continued enthusiasm for a bright and vibrant future. As we continue to expand class offerings and seek to improve many other facets, we hope that your giving spirit in our Annual Appeal will once again sustain operations for future generations, subsidizing the

membership fee which pays for only one third of our costs.

Many have already received our request letters; **note that for a \$100 donation you will be awarded with a People Program insulated lunch tote.** Additionally, we will once again honor our donors in the \$250, \$500, and \$1,000 categories with a special cocktail party next September when we will unveil our donor plaque. (This year's plaque is just to the right of the lobby on Lakeshore.)

May all that you give to People Program come back to you ten-fold. God bless!

THANK YOU!

Whether you baked or bought—or did both—you helped make our campus sales a big success. Metairie made \$240.00 and Lakeshore made \$350.00. **The West Bank sale is scheduled for Wednesday, October 19th.**

GREEN TIPS

Green Your Kitty

Choose kitty litter that is not the clay clumping kind. Clay litter is usually made from strip-mined clay which involves heavy machinery stripping away the top layer of the Earth to collect clay below. Clay litter also has a chemical known for its absorbing power, which can expand in your cat's body if/when ingested. Choose litter made from natural ingredients like pine shavings, sawdust, plant, or straw pellets, ground corn cobs, and even recycled newspaper which all are reasonably priced at stores such as Target and K-Mart.

CAMPUS NEWS:

We can use your donations for our THRIFT AND GIFT rooms at the Fall Festival. Come on and clear that clutter for a good cause!

METAIRIE: Reminder:

Campus is closed on

Thursday, 10/6. Why not visit Lakeshore or Holy Spirit to check out other class offerings? We welcome you to drop in.

WESTBANK: Wednesday, 10/5—New Orleans and the Civil War featured in the N.O. History class.

MEMORIAL GIVING

One way to honor the memory of someone who is special to us is by giving to a charitable organization. We'd like to thank **Joyce Dassey and Ida Huard** for their memorial gifts honoring GERTRUDE BERNARD.

CONGRATULATIONS TO DIANNE BOURGEOIS AND HER HUSBAND LAMAR ON 50 YEARS OF MARRIAGE!

Laugh Along.....

A father was approached by his small son who told him proudly, "I know what the Bible means!" His father smiled and replied, "What do you mean, you 'know' what the Bible means?" The son replied, "I do know!" "Okay," said his father. "What does the Bible mean?" "That's easy, Daddy," the young boy replied excitedly, "It stands for 'Basic Information Before Leaving Earth.'"

There was a very gracious lady who was mailing an old family Bible to her brother in another part of the country. "Is there anything breakable in here?" asked the postal clerk. "Only the Ten Commandments." answered the lady.

Somebody has said there are only two kinds of people in the world. There are those who wake up in the morning and say, "Good morning, Lord," and there are those who wake up in the morning and say, "Good Lord, it's morning."
