Believe it or not, plans are already underway for our annual Gala set for late March at UNO. Rumor has it that someone very special will be our honorary chair. (To be announced soon!) Early planning always includes **the search for corporate sponsors** who would love to advertise their name in front of the 300 attendees. Many of us probably have connections to companies that would be proud to sponsor our event. People Program needs your help. Please see Jan or Delores for any referrals that you may have.

During the month of **October**, People Program will once again collect toiletries and food for **Lantern Light**, a homeless day shelter located behind St. Joseph Church on Tulane. Please refer to the list of needs provided for you on each campus. Please be generous!
