People Program Annual Appeal letters went out last month, and we are grateful for the response so far. Our fabulous program is funded through student fees, grants and fundraisers. These efforts still do not fill the gap between budget expenses and incoming revenue. That is why the Annual Appeal is so very vital. Please consider a donation; the size does not matter. We are all in this together which is what makes People Program so special. Thank you for your generosity!

We are so excited to announce that Charmaine Neville will be our next Spring Gala Honorary Chair! Charmaine will add such a New Orleans flavor to our event. Don't miss out!
Early planning always includes

the search for corporate sponsors who would love to advertise their name in front of the 300 attendees. Many of us probably have connections to companies that would be proud to sponsor our event. People Program needs your help. Please see Jan or Delores for any referrals that you may have.

Laugh Lines.....

Little Emily was complaining that her stomach hurt. Her mother replied, "That's because it's empty. Maybe you should try putting something in it." The next day, the pastor was over at Emily's family's house for lunch. He mentioned having his head hurt, to which Emily immediately replied, "That's because it's empty. Maybe you should try putting something in it."

Lying on his deathbed, the wealthy Mr. Sams was instructing his attorney in last minute changes. "I wish to leave everything I own, all stocks, bonds, property, art and money to my wife. However, there is one stipulation." "And that is?" "In order to inherit, she must marry within 6 months of my death." The lawyer seemed puzzled. "Why make such an unusual request?" Mr. Sams answered, "Because I want someone to be sorry I died."
