ANNUAL APPEAL 2017

As a non-profit, People Program relies heavily on its annual fundraisers to cover expenses that tuition does not. We hope that ALL teachers and students take a serious look at the letter that was mailed last week, and that **everyone** responds in some way whether large or small. We are forever grateful for the extraordinary generosity of our volunteer teachers and of students who pay the fee to attend classes. Will you consider doing just a little more so that we can keep People Program in tip top shape and continue to offer the quality of classes and services that we do? Response in the past few years has totaled about 15%. Can you imagine what would happen if a 100% response occurred? A \$5 contribution is better than no contribution. Can we count on **YOU?**

Just Wondering.....

Relationships are a lot like algebra. Have you ever looked at your X and wondered Y?

I find it ironic that the colors red, white and blue stand for freedom until they are flashing behind you.

Money talks...but all mine says is goodbye.

I can't understand why women are OK that JC Penny has an older women's clothing line named "Sag Harbor".

My 60 year kindergarten reunion is coming up, and I'm worried about the 175 pounds I've gained since then.

My therapist says that my narcissism causes me to misread social situations. I'm pretty sure she was hitting on me.
