A woman goes to her doctor. She has a breadstick up her nose, a potato in her right ear, and a string bean in her left ear. She says, "Doctor, can you help me? I don't feel well, and I cannot figure out what's wrong." The doctor replies, "Well, my dear, you are clearly not eating properly."

The doctor looks at the man and tells the nurse, "Help me turn him around so it looks like he was just coming in."

A lady was picking through the frozen turkeys at the Plaza Grocery Store, but she couldn't find one big enough for her family. She asked a beautiful stock girl, "Do these turkeys get any bigger?" The girl replied, "No ma'am, they're dead."
