Each One Reach One

People Program members are our best ambassadors for getting the word out about this unique opportunity. Why not be rewarded for your efforts?

During registration for the spring semester, a **\$25 reimbursement** will be offered to any member who recruits a NEW student. (New will be defined as anyone who has never been a member or someone who is returning after 2 years.)

This is how it will work:

Everyone pays the \$200 fee when registering, and when your new member registers and says she/he was referred by you, you will receive a \$25 reimbursement.

WOW!

Help us grow our "Student Body" members. We are the best kept secret in the New Orleans area, and we are out to bust that reputation. So start reaching out!

Thank you! Thank-you!

Thanks to all who contributed to the westbank campus Fall Fest. Special thanks to the following

“Where is my Sunday paper?” the irate customer calling the newspaper office loudly demanded. “Ma’am,” said the newspaper employee, “today is Saturday. The Sunday paper is not delivered until tomorrow.” There was quite a long pause on the other end of the phone. “So that’s why no one was at church today.”

Groups of Americans were traveling by tour bus through Holland. As they stopped at a cheese farm, a young guide led them through the process of cheese making, explaining that this cheese used goat’s milk. Then she showed the group a lovely hillside where many goats were grazing. “These,” she said are the older goats put out to pasture when they no longer produce.” Curious she asked the group, “What do you do in America with your old goats?” One old spry gentleman answered, “they send us on bus tours!”
