Fall Fest a Great Success....

Blue skies, abundant food, squeals of shopping delight, and foot-tapping music prevailed at People Program's Fall Fest Saturday. So many contributions made this event a day to remember. Jewelry, art, ceramics, and stitchery donations, recycled treasures, LaVerne and Bill's gumbo, Rogerwene's homemade ice cream, and of course the gourmet baked sweets made the halls come alive with community spirit. A happy crowd joined in the outdoor line dancing led by Gary deLeaumont. What Fun!!! And we made some money too! Left over items were donated to Team Challenge who will sell the goods in their store which supports their fight against substance abuse. We have some books for sale; the remainder Some of the extra books will be sent to the Symphony Book Fair; however, some books are still on sale!

The real success is defined by the pervasive spirit of goodwill and by the bonds of friendship that

were strengthened. The members of People Program have always cooperated with the extraordinary grace that showers blessings of care and concern. It was never more evident than on Lakeshore Drive last Saturday. A heart full of gratitude is extended to all who came and felt the love!
