fest

It's Fall Fest-a- Thon Week on the Westbank Campus!!!!

Okay, everybody, let's show our enthusiasm for People Program by participating fully in all the activities this week!!!!
Buy your ticket for the spaghetti lunch on Thursday (\$8...takeouts available!), take a chance on our raffle, bid in the silent auction, and view the art display
Don't forget about the bake sale! (Tuesday)
All proceeds go to making our community even better! Bring your friends and family too!

People Program Annual Appeal letters went out last month, and we are grateful for the response so far. Our fabulous program is funded through student fees, grants and fundraisers. These efforts still do not fill the gap

between budget expenses and incoming revenue. That is why the Annual Appeal is so very vital. Please consider a donation; the size does not matter. We are all in this together which is what makes People Program so special. Thank you for your generosity!

We are so excited to announce that Charmaine Neville will be our next Spring Gala Honorary Chair! Charmaine will add such a New Orleans flavor to our event. Don't miss out!
Early planning always includes the search for corporate sponsors who would love to advertise their name in front of the 300 attendees. Many of us probably have connections to companies that would be proud to sponsor our event. People Program needs your help. Please see Jan or Delores for any referrals that you may have.

Got Shoes? Kiwanis Pontchartrain has a use for them.

See Myra Lewis (Lakeshore) or Deidre Charlot (Westbank).
Collection boxes are out for new or gently used shoes.

In Memoriam

Gregory Pierre, Jr.
(Son of Carmen Pierre)

Laugh Out Loud!

Forget health food. I'm at an age where I need all the preservatives I can get!

If there's no chocolate in heaven, I'm not going.

As you get older, your secrets are safe with your friends because they can't remember them either.

You can't stay young forever, but you can be immature for the rest of your life.

I would be unstoppable if I could just get started,

Out of estrogen. Next mood swing: 2 hours.

My wild oats have turned into prunes and All-Bran.

They say that age is all in your mind. The trick is keeping it from creeping down into your body.
