The food was plentiful, the weather was sensational, and the shopping was delightful! This sums up the environment at the annual Fall Feast at the Lakeshore campus. The wide variety of food made our taste buds yearn for more. Thanks to all the coveted chefs!

So many members donated items for the bag sale and the marketplace. Your generosity is sterling! Our gratitude goes to all the volunteers who assisted in set-up, workday tasks and teardown. Finally, appreciation is sent to all who attended the event. This helps us keep the cost of tuition down. May God bless you.

**Registration Reminders:**

Please be aware of our long standing policy of first come, first served. How long someone has been in a class does not give priority for registration. This is

truly the only fair way to fill classes.

The **Lakeshore Campus** will NOT have waiting lists. These cause widespread angst. If a class is filled when you register, then we suggest you speak with the teacher at end of week 2 regarding your entry.

We are working to make registration as smooth as possible for everyone. Thanks for your help!

Registration Dates: Nov. 18, 19, 20, 21

December 2, 3, 4, 5

heighten our awareness of those abundant blessings.

From the Staff...Happy Thanksgiving to everyone!

Thanksgiving Green Tips

Use soy or beeswax candles and eliminate breathing in soot and other chemicals.

Go without plastic wrap, a single-use petroleum product which contains PVC, a chemical that can leach into your food. Best containers? Glass jars!

Use a slow-cooker, one of the most energy-efficient devices in the kitchen.

Laugh Lines...

A three year old walks over to a pregnant lady while waiting with his mother in a surgery outpatient room. "Why is your stomach so big?" he asks. "I'm having a baby." she replies. "Is the baby in your stomach?" he asks with big eyes. "Yes, it is." she replies. "Is it a good baby?" he asks with a puzzled look. "Oh, yes. A really good baby." The lady replies. Shocked and surprised, he asks, "Then why did you eat him?"

A man was in his front yard when his attractive blonde neighbor came out of the house and went straight to the mailbox. She opened it, slammed it shut, and stormed into the house. She did this three times. Puzzled by the actions, the man asked her, "Is something wrong?" To which she replied, "There certainly is. My stupid computer keeps giving me the message saying, "You've got mail!"
