Each One Reach One

People Program members are our best ambassadors for getting the word out about this unique opportunity. Why not be rewarded for your efforts? During registration for the spring semester, a **\$25 reimbursement** will be offered to any member who recruits a NEW student. (New will be defined as anyone who has never been a member or someone who is returning after 2 years.)

This is how it will work: Everyone pays the \$200 fee when registering, and when your new member registers and says she/he was referred by you, you will receive a \$25 reimbursement. WOW!

Westbank News:
Beginning Thursday, November 15 at 11 a.m., we are adding a new class called "Fitness for

Fun" with instructor Alexandra Elliot.
Please see Doris to sign up.

This is the last week to buy 50/50 tickets.

How about some holiday spending money! YOU could be the winner! Both campuses will combine the money and names collected. Two names will be drawn from the collection: one for 60% of the awarded amount and one for 40% of the awarded amount. Buy more tickets....your chances are enhanced! We have collected over \$500 so far....let's get to \$1,000.

Looking Ahead.....

Registration for the Spring semester will begin on Monday, November 26, promptly at 9 a.m.....not sooner. Thanks! Schedules will be online beginning November 22.

An Art Book library is being formed at the Lakeshore Campus

and is accessible to anyone who would like to borrow a book. Please leave any donated books along with your name at the front desk. The books will be available in the chapel.

In support of the 27th Annual Children's Hospital Toy Drive, we will be collecting new, unwrapped toys and games through the end of the session. This year's drive is dedicated to military families. Collection boxes can be found at both campuses.

In Memoriam

Martha Chaplain

Horace grabbed his plate and walked up to the party buffet for the fourth time. "Aren't you embarrassed to go back for so many helpings?" asked his wife. "Not a bit," Horace replied. "I keep telling them it's for you."

Heard about the new diet? You eat whatever you want, whenever you want, and as much as you want. You don't lose weight, but it's easy to stick to.

"How do you account for your longevity?" asked the reporter on Harvey's 110th birthday. "You might call me a health nut," Harvey replied. "I never smoked, I never drank, I was always in bed and sound asleep by 10 o'clock. And I've always walked 3 miles a day, rain or shine." "But," said the reporter, "I had an uncle who followed the exact routine and died when he was 62. How come it didn't work for him?" "All I can say," replied Harvey, "is that he didn't keep it up long enough."
