Volunteer Spotlight

The halls of People Program have been filled with beautiful music since Henry Glaeser first stepped through the doors in 1985. Beverly Boos asked Henry to sing in the chorus since male voices were needed. After being embraced by the group, Henry became a People Program member and signed up for Florence Montgomery's guitar class. His talent was so obvious that Henry assumed the guitar "professorship" when Florence retired. Henry has been teaching guitar basics at the Metairie campus since it opened.

Music was always a part of Henry's DNA. Barbara McCurdy was aware of his natural ability to "rock out" on the saxophone, so she suggested that he help form the first (and only) People Program Band. It was a hit! Henry and his saxophone still

entertain senior home residents on Monday nights. He finds it very therapeutic.

Henry has always felt that he has been surrounded by love particularly from Eloise and Joyce. He has a special affection for everyone that has crossed his path at People Program. In the spring, Henry will be assisting Stan Bejma in the guitar class as part of his transition to retirement.

Henry is a Gentilly native and has 3 children, 3 grandchildren and 5 great grandchildren.

People Program salutes Henry Glaeser and his innate ability to light up eyes and hearts through creating memorable melodies. Shine on, Mr. Henry!

SUCCESS BY MANY MEASURES

No matter what measure of success we apply to the Art Affair and Bountiful Boutique, the events were successful. Hundreds of people

participated in our fun filled activities by purchasing tickets, donating items for show or sale, volunteering to serve food or sell tickets, acting as cashiers or bankers, organizing art work in a data base, baking or buying delicious treats, clapping hands with Shades of Praise, cooking mouthwatering hors d'oeuvres, dogs and burgers, tagging and bagging, supervising boutique and art sales, crafting hand made beauties, designing and distributing flyers to advertise the events, encouraging friends and family to attend, decorating our spaces at Holy Spirit and Lakeshore, cleaning up and counting our proceeds. Our communities came together for a good cause, strengthening our commitment to People Program and each other, and raising over \$10,000 in the process. These funds will help "fill the gap" between the cost of the program and membership fees. Thanks to all for your generosity and support.

Give Before the End of the Year!

If you have not yet contributed to our Annual Appeal Fund, why not make a contribution before the end of the year and claim it as a deduction on your income tax.

CONGRATULATIONS TO THE APARICIOS
