**Happy Hanukkah
December 2 – 10, 2018**

Some facts about this special
holiday:
Around 17.5 million doughnuts
(sufganiyot) are eaten in Israel

commemorating the miracle of
oil.
Throughout Hanukkah, each
menorah burns through 44
candles, adding one candle each
night., plus the “shamash” – the
extra candle helper.

Spinning the dreidel was
originally done by students
studying the Torah. When Greek
soldiers would make a surprise
raid, students would whip out a
dreidel, pretending to play a
gambling game.

.....
May the warmth, the glow and
peace of this special season
remain in your hearts throughout
the year.

And be assured, many people in need have and will benefit from your generosity. Have a blessed and a healthy new year.

HO! HO! HO!

Did you ever notice that the year you stopped believing in Santa is roughly the year you start getting socks and clothes for Christmas?

Another helicopter tried to land in my garden today. I think we're going to have to reduce our Christmas lights a bit.

What kind of bike does Santa ride in his spare time?
A Holly Davidson

Lisa thanks her grandpa, "Thank you grandpa for the violin you gave me last Christmas. I've never gotten such a brilliant gift!" "Really?" asks the surprised Grandpa. Lisa says, "Oh yeah – every time I start playing Mom gave me 2 dollars so I would stop!"

I heard some strange chatter from the spice cupboard in mid-December. But it was just the season's greetings.

Sending letters to Santa up the chimney is definitely black mail.
