WE NEED YOUR HELP!!!!

Most everyone has opportunities to dine out, or shop or take part in other retail activities. This is a perfect time to ask for a gift card or other item that we can use in our Gala auctions. If each of us gets just ONE gift card, we would blow the roof off of our past Gala profits! Donation letters are available on each campus, if needed. **THE GALA IS FOR YOU AND THE PERPETUATION OF PEOPLE PROGRAM. PLEASE, PLEASE, PLEASE MAKE AN EFFORT TO BRING YOUR FAMILY AND FRIENDS. Attendance is the key!!!!**

GOING GREEN....

Moving your thermostat down just 2 degrees in winter and up 2 degrees in summer could save about 2000 pounds of carbon dioxide per year.

Switch off power strips and unplug electrical devices even when you are not using them.

Letting your faucet run for 5 minutes uses about as much energy as a 60 watt lightbulb consumes in 14 hours.

Screensavers on computers don't use less energy. "Sleep mode" reduces a computer's energy consumption by 60 to 70 %. At

the end of the day, power it off completely.

Laugh Lines.....

An old geezer became very bored in retirement and decided to open a medical clinic.

He put a sign outside that said: "Dr. Geezer's clinic. Get your treatment for \$500, if not cured, get back \$1000."

Doctor "Young", who was positive that this old geezer didn't know beans about medicine, thought this would be a great opportunity to get \$1000. So he went to Dr. Geezer's clinic.

Dr. Young: "Dr. Geezer, I have lost all the taste in my mouth. Can you please help me?"

Dr. Geezer: "Nurse, please bring me the medicine from box 22 and put 3 drops in Dr. Young's mouth."

Dr. Young: "Aagh! This is gasoline."

Dr. Geezer:" Congratulations you've got your taste back. That will be \$500."

Dr. Young goes back after a couple of days to recover his money.

Dr. Young: "I have lost my memory."

Dr. Geezer: "Nurse, please bring me the medicine from box 22 and put 3 drops in the patient's mouth."

Dr. Young: "Oh, no you don't...that is gasoline!"

Dr. Geezer: Congratulations you have your memory back. That will be \$500."

Moral: Just because you're "Young" doesn't mean you can outsmart an "old Geezer."
