Laugh Lines.....

Why don't traffic lights ever go swimming?
Because they take too long to change.

Why did the man run around his bed?
To catch up on his sleep!

What did one toilet say to another?
You look a bit flushed.

Why did the picture go to jail?
Because it was framed.

What did one wall say to the other wall?
I'll meet you at the corner.

What did the paper say to the pencil?
Write on!

Why do dragons sleep during the day?
So they can fight knights!

Why can't your nose be 12 inches long?
Because then it would be a foot!

What did Cinderella say when her photos did not show up?
Someday my prints will come!

.....
People Program artists, **Sandra Dymond and Chris Carroll**, have their work on display at Café Gentilly, 5325 Franklin Blvd. Take time to view their awesome art work!

.....
Please contact Ann Sayas (504-895-3545 or abws45@earthlink.net) if you would like to take a 4 week online course on **Shakespeare in Community starting April 26.** Ann will be offering a Shakespeare class on both campuses next fall, and this would be an excellent introduction.
