Gentle Thoughts for Today:

A penny saved is a government oversight.

The easiest way to find something lost around the house is to buy a replacement.

Did you ever notice: the Roman Numerals for 40 are "XL"?

Birds of a feather flock together..and then look what they do to your car.

Put the 2 words "The" and "IRS" together. It spells "THEIRS".

When you are dissatisfied and want to go back to your youth, think of Algebra.

Lord, keep your arm around my shoulder and your hand over my mouth.
