People Program members and staff DO indeed know how to party! “All Jazzed Up” lived up to its name as participants danced, ate, drank, and put forth many bids on auction items. The fun and warmth were palpable in the room! A gigantic “SHOUT OUT” goes to all who attended; the celebration of People Program’s culture always leaves us with magnificent memories. Kudos to the Staff and other generous volunteers: Trini Calero who gathered the largest 50/50 ever...\$1404, Winkie Hymel, Kay Lopez, Beth Johnson, Kathy Moisieiwicz, Diane Luminais, Laura and James Hebert, Pat Ward, husbands Steve Dassey and Bill Martino, Gary deLeaumont, Kathy Guaraggi, Phyllis Howley, and so many others who contributed to make this event such a success. Can’t wait until next year!

From April 1-25 People Program will assist the homeless shelter behind St. Joseph’s Church on Tulane Avenue in providing food assistance to the needy.

Please bring non perishable canned goods, particularly those high in protein (tuna, chicken, beans) as well as vegetables for those who are in need. What better way to express gratitude for our blessings than to share them with others?

This is not a martial art! There will be handouts, so please sign up with Marcia or Doris so that we may know how many copies to make.

Military Humor....

Having just moved into his new office, a pompous, new colonel was sitting at his desk when an airman knocked on the door. Conscious of his new position, the colonel quickly picked up his phone, told the airman to enter, then said into the phone, "Yes, General, I'll be seeing him this afternoon, and I'll pass along the message. In the meantime, thank you for your good wishes, sir."

Feeling as though he had sufficiently impressed the young enlisted man, he asked, "What do you want?"
"Nothing important, sir," the airman replied, "I'm just here to hook up your telephone."

The elderly American gentleman arrived in Paris by plane. At French Customs, he fumbled for his passport. "You 'ave been to France before, monsieur?" the customs officer asked sarcastically. The old gent admitted that he had been to France previously. "Zen, you

should know enough to 'ave your passport ready for inspection."

The American said, "The last time I was here, I didn't have to show it." "Impossible. You Americans always 'ave to show your passports on arrival in France." The American gave the Frenchman a long hard look.

Then said, "Well, when I came ashore at Omaha Beach in '44, I couldn't find any Frenchman to show it to."
