Thanks for the
Memories!

Well, YOU did it. YOU broke all attendance records AND, the record for the most fun! "All Jazzed Up" was a huge success in profit, but most importantly in connection and people power! The facility, the table décor, the music, the food and the dancing all added up to a gigantic party People Program style! So many people are due a huge "thank-you"...first YOU, the participants! The attendance count was 251...wow! What support!

Then the workers: Trini Calero, Nola O'Conner, Laura Guerin-Hebert, Jane Dassey, Charlene Vernetzy, LaVerne Kappel, Marcia Hubbard, Roma Gibson-King, Lynn Dave, Sr. Janine, Kay Lopez and of course all the faithful husbands: Steve, Bill K., James, and Bill M. Special thanks to the classes of Laura Guerin-Hebert who filled 2 picnic baskets with marvelous goodies. And of course, Bobby Cure and his Poppa Stoppa Band was the icing on the cake! So many donated to the auction and raffle,

most were listed in our program. Your generosity is the heartbeat of this community.

So let's make one last toast:

To the radiant soul of People Program that continues to glow with love, concern, and a passionate desire to implement an open arms philosophy. May our numbers continue to grow!

Laugh every day

A senior citizen drove his brand new Corvette convertible out of the dealership. Taking off down the road, he pushed it to 80 mph, enjoying the wind blowing through what little hair he had left. "Amazing", he thought as he flew down I-75 pushing the pedal even more. Looking in his rear view mirror, he saw a Florida State Trooper, with blue lights flashing. He floored it to 100 mph, then 110, then 120. Suddenly, he thought, "What am I doing?", and he pulled over to await the trooper's arrival. The trooper got out of his vehicle and walked up to the Corvette. He looked at his watch, then said, "Sir, my shift ends in 30 minutes. If you can give me a new reason for speeding – a reason I've never heard before – I'll let you go." The old gentleman paused and then said, "Three years ago my wife ran off with a Florida State Trooper. I thought you were bringing her back." "Have a good day, Sir," replied the trooper.
