Laugh Lines.....

Two ninety year old women, Rose and Barb, had been friends all their lives. When Rose fell ill, Barb visited her every day. As death neared, Barb said to Rose, "Rose, we both loved women's softball all our lives. Please do me one favor. When you get to heaven, somehow you have to let me know if there's women's softball there."

Rose agreed, to do all that was in her power, and then passed on. At midnight a few nights later, Barb was awakened from a sound sleep by a blinding flash of white light and a voice calling her name. "Barb, it's me Rose. I have good news and bad news. There IS softball in heaven, and all of our team members who have died are here. We are all young and beautiful again, and the weather is always perfect for softball."

"That's fantastic," said Barb. "It's beyond my wildest dreams. So what's the bad news?" "You're pitching Tuesday."
