And so we close another successful Spring semester...

We have laughed, we have shared, we have created and we have loved. Our mission, "That all may be one." continues to evolve toward perfection. Students, teachers and staff are all a part of a unique community that challenges us to be better each day. May all of us carry this charism with us through the summer, and invite others to walk alongside of us on this journey.

To those students who will continue in the fall, we say: "Beat the heat, and stay safe."
To those who are continuing in the summer session, we say: "See you real soon."

We love you!

Laugh Out Loud!

When my grandson Billy and I entered our vacation cabin, we kept the lights off until we were inside to keep attracting pesky insects. Still, a few fireflies followed us in. Noticing them before I did, Billy whispered, "It's no use, Grandpa, now the mosquitoes are coming after us with flashlights."

.....

A second grader came home from school and said to her grandmother, "Grandma, guess what? We learned how to make babies today." The grandmother, more than a little surprised, tried to keep her cool. "That's interesting." She said. "How do you make babies?" "It's simple," replied the little girl. You just change 'y' to 'i' and add 'es'.

.....

When my grandson asked me how old I was, I teasingly replied, "I'm not sure." "Look in your underpants, Grandpa," he advised. "Mine says I'm 4 to 6."
