TEEN VOLUNTEERS VISIT: July 14-16.

Camp Restore, a ministry of the Lutheran Church, is hosting several hundred high school students who are coming to New Orleans to assist with our continuing efforts to rebuild. We at People Program are fortunate that a group of them will be working to improve our garden and lawn this week. They will visit with us on Wednesday, July 14, when we will have a "Let Them Eat Cake...and Ice Cream," event in honor of Bastille Day and continue their service on the next two days. They may also want to interview some of you to get a better idea of those for whom they are providing service. Please give them the usual warm welcome extended to all our visitors.

JULY 14, 2010

THANK YOU!!

One of the characteristics of People Program participants is their generous support of our activities. Just recently **MARION SWAIN** taught a line dancing class to a small group enrolled in a summer camp for children with autism. **PAT BENNETT** and **JERRY TALBOT** are organizing and preparing for use a number of boxes of fabric donated to us. **EDWARD DALFERES** is subbing for Martinel Fleury and **CINDY MANGER** is making recommendations for landscaping around our new sign. **MARCEY FERTEL** is volunteering to organize the supply room and **MARGARET CORRERO** gave us an informative discussion of "Macbeth." **SANDY RIDOLFO** is attending a two day workshop on the Access database to support our usage....and the list goes on. Let us know how you would like to help. People Program grows stronger with your active participation.
