Have you noticed the large white board on the wall next to the bathrooms at the Lakeshore campus? We hope so! The new addition is there as a “social media” outlet that will allow any member to write a message for everyone to see! Perhaps you want to wish someone a happy birthday, or congratulate your friend on the birth of a grandchild. Maybe you want to wish “Bon Voyage” to a fellow “cruiser”....whatever you want to say. The board is there for fun and communication so that we all can share in any good news!

**New Class Offering!!!!**

We live in an area that has radical weather patterns AND where the weather can change in the blink of an eye. Wanna know why? Dr. Ashton Peyrefitte, certified meteorologist, will begin a new course on Monday, October 3 to

explain the how and why of weather. Topics will include cloud formation, solar radiation and the greenhouse effect, tornado and hurricane formation, and general circulation with fronts and pressure systems. The sign- up sheet is at the front desk. Class time is noon to 12:55 in room 4. The class goes until December 5. **(Lakeshore)**

**Laugh Lines...**

A man was sitting on the edge of the bed as his wife was dressing while looking at herself in the mirror.

Since her birthday was not far off, he asked what she would like to have for her birthday. “I’d like to be eight again”, she replied while still looking in the mirror.

On the morning of her birthday, he arose early, made her a nice bowl of CoCo Pops, and then took her to Adventure World Theme Park. What a day! He put her on every ride in the park: the Death Slide, the Wall of Fear, the Screaming Roller Coaster, and many others.

Her head was reeling and her stomach felt upside down. He then took her to McDonald’s where he ordered her a Happy Meal with extra fries and a chocolate shake. Then it was off to a movie, popcorn, M&M’s and a soft drink. What a fabulous adventure!

Finally, she wobbled home and collapsed into bed exhausted.

He leaned over his wife with a big smile and lovingly asked, “Well, Dear, what was it like being eight again”? Her eyes slowly opened, and her expression suddenly changed. “I meant my dress size, you idiot!”
