Once again, People Program will begin collecting toiletries and food items in October for Lantern Light, a New Orleans center that ministers to the homeless. You have been very generous in the past, and we anticipate a similar response. Lists of needed items and bins will be available on both campuses in the coming weeks.

Important Reminders:

Please remember to pick up cups, paper plates, etc. at the end of each class. Make sure that you take personal belongings with you.

Lakeshore Campus has new recycling bins. Please rinse cups, cans, and plastic containers before disposing.

The Lakeshore Campus parking lot has two lanes marked with yellow lines to alert drivers to avoid parking there. These lanes are very essential to bringing

totes and other baggage needed for classes. Please be respectful

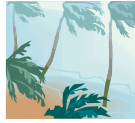

Be mindful of being on time both for the beginning of classes and the end. Most classes end at 55 minutes to the hour, not at the “o’clock” mark. Your prompt departure allows the next class to enter and set up so that they may get started on time. Thanks for your awareness!

The Main campus has **name tags** available for all teachers and students. Please make use of this wonderful opportunity to learn names. Look for the tags on a wall hanger in the hall to the left of the reception area. Please return your name tag as you depart, and remember to tuck your string into the plastic case. If you do not have a tag, please inform the front desk, and we will promptly get you one!

Sweet Tooth?

Indulge in the savory delights of home baked goodies from our members. The Bake Sale on the Main campus will be held on Tuesday, **September 16. Baked goods can be brought on both Monday and Tuesday. Proceeds go directly to People Program.** Look for the volunteer sign- up at the front desk. WE NEED YOUR HELP!!!!

Laugh Lines...

Just before funeral services, the undertaker came to the very elderly widow and asked, “How old was your husband?” “Ninety-six,” she replied, two years younger than me.” “So you’re ninety-eight,” the undertaker commented. She responded, “Hardly worth going home, isn’t it?”

I feel like my body has gotten totally out of shape. So I got my doctor’s permission to join a fitness club and start exercising. I decided to take an aerobics class for seniors. I bent, twisted, gyrated, jumped up and down, and perspired for an hour. But, by the time I got my leotards on, the class was over.

An elderly woman decided to prepare her will and told her preacher that she had 2 final requests. First, she wanted to be cremated, and second, she wanted her ashes scattered over Wal-Mart. “Wal-Mart?” the preacher exclaimed. “Why Wal-Mart?” “Then I’ll be sure my daughters visit me twice a week.”
