MISSION STATEMENT

Mission Statement

The People Program is one of the ministries of the Sisters of St. Joseph whose mission is rooted in the mission of Jesus Christ, the same mission which

continually unfolds in the Church and in the world:

“That all may be one, as you Father in me and I in You; I pray that they may be one in us.” JOHN 7:21

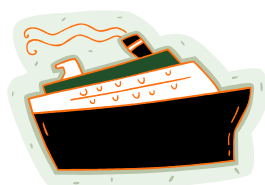

Within this broader mission of the Sisters of St. Joseph, the People Program brings together senior adults who share in community their experiences, talents, wisdom, and knowledge with each other. The retirees themselves, as volunteer teachers, take leadership in facilitating this sharing by offering classes holistic in scope: spiritual, aesthetic, intellectual, and physical.

It is hoped that individuals in this environment of holistic learning and personal interaction will develop the qualities of self-esteem and inner peace so necessary for coping with difficulties in later years. The People Program is dedicated to this goal.

LANTERN LIGHT DONATIONS

We are collecting donations for the homeless community served behind St. Joseph's Church on Tulane Avenue. Please pick up a copy of the items Sr. Vera requested and when you are shopping, pick up something to donate. Last spring we collected over 1600 items. Can we do better in serving “the dear neighbor?” **Collection ends September 30, 2011.**

Important information about shampoo:

It's the shampoo I use in the shower. When I wash my hair, the shampoo runs down my whole body, and (duh!) printed very clearly on the shampoo label is this warning: "**For extra volume and body!**" No wonder I have been gaining weight!

Well! I have gotten rid of that shampoo, and I am going to start using Dawn soap instead. Its label reads, "**Dissolves fat that is otherwise difficult to remove.**"

Thanks to Jane Dassey!
