### Volunteer Spotlight

*Serving* and *receiving* are Table Tennis terms that also have larger connotations for life in general. At People Program Jackie and Don Kosche are the “servers” who start the games at St. Matthew’s and create a lively atmosphere for the players who gather around the table. (They also volunteered to inaugurate the Table Tennis class this summer at Lakeshore.) Married for 41 years, they are now retired from work as a librarian (Jackie) and teacher/social worker (Don). They have two children who both reside in New Orleans, and while they love their city, they also enjoy traveling to such glorious

places as Paris and New England in Autumn. Additionally, they are generous supporters of People Program activities, such as the Annual Fund, Boutique, and our occasional raffles. (You may remember that Jackie won the beautiful “crazy” quilt last year and donated it back to the Program.)

Truly, Jackie and Don *serve* our mission, sometimes with a paddle in hand, sometimes not. We are the “*receivers*” of their thoughtful giving and our response is gratitude.
