### **Volunteer Spotlight**

*At seven years old, the flame was lit for **Laura Guerin-Hebert's** love affair with dance. Her pediatrician suggested that she enroll in classes because of her uncanny talent for "running into things". Laura became a loyal student at Helena Hosch School of Dance, and at 18, graduated to instructor. Her passion to move is still ignited whenever the music plays, or as her husband James says, she begins to bubble all over.*

*Laura was a Health and Physical Education teacher for 32 years and currently works*

*for Jefferson Parish Adult Education. For 3 semesters at People Program, Laura has shared her expertise in Stretch for Health and Fitness, Jazz Dance and Craft Workshop. Laura's hands are as gifted as her feet. She grew up in a creative family and quickly learned the trade. Our Spring Gala tables sparkled because of her contribution.*

*Laura was aware of the good work at People Program because of her days at Redeemer-Seton. The Clarion Herald article sparked an immediate phone call, and the rest is history! Thank you, Laura, for your energy and your ability to motivate our hands and feet!*

**A Louisiana Blessing**

Bless this house, oh Lord we cry.  
Please keep it cool in mid July.  
Bless the walls where termites dine,  
While ants and roaches march in time.  
Bless our yard where spiders pass  
Fire ant castles in the grass.  
Bless the garage, a home to please  
Carpenter beetle, ticks and fleas.  
Bless the love bugs, two by two,  
The gnats and mosquitoes that feed on you.  
Millions of creatures that fly or crawl,  
In Louisiana, Lord you’ve put them all!  
But this is home, and here we’ll stay,  
So thank you Lord, for insect spray.

Thanks to Trini Calero
