DONATION RECEIVED

Many thanks to Jacqueline Hanemann Juge (Jackie) for the recent donations she made

in memory of her aunt, Sr. Louise Aimee Hanemann, CSJ. Both pieces of her original art, one a watercolor and one in acrylics, will hang at the main campus in honor of Sr. Louise Aimee and her many years of teaching art at St. Rose of Lima and St. Joseph Academy.

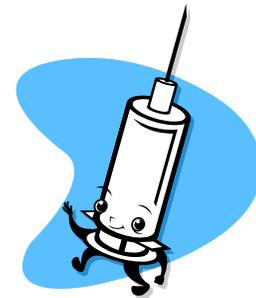

The paintings were presented at the Patron party for the 2010-2011 Annual Appeal. Herman Gray represented the volunteer faculty of People Program and joined staff, Ron & Jackie Juge, and board members in thanking our major donors for their support which helps to subsidize the cost of the program. A plaque honoring these donors is now on display just to the right of the foyer on Lakeshore Drive.

Laugh Along.....

A woman brought a very limp duck into a veterinary surgeon. As she laid her pet on the table, the vet pulled out his stethoscope and listened to the bird's chest. "I'm sorry, your pet duck has passed away."

"How can you be sure?" she protested. The vet rolled his eyes, left the room and returned with a black Labrador Retriever. The dog stood on his hind legs, put his front paws on the exam table and sniffed the duck from top to bottom. He then looked up at the vet with sad eyes and shook his head. A few minutes later the vet returned with a cat that jumped on the table and delicately sniffed the bird from head to foot. The cat sat back on its haunches and shook its head and walked out of the room. The vet looked at the woman and said, "I'm sorry, this is 100% a dead duck." The vet handed the woman a bill. "\$150", she cried, \$150 just to tell me my duck is dead!" The vet shrugged, "I'm sorry. If you had just taken my word for it, the bill would have been \$20, but with the Lab Report and the Cat Scan, it's now \$150."
