VOLUNTEER SPOTLIGHT

When you first meet **HELEN MORRIS**, you are struck by the beauty of her warmth and generosity. As she says of her classes, "We fix a lot," and she is not just talking about crochet and Swedish Weaving. She is talking about the community that develops over fabric, yarn, needles and hooks; life gets "sorted out" among her students. This young at heart mother of four grew up in New Orleans, but moved near Jesuit Bend some time ago to be near one of her children. She makes the long drive from South Plaquemine because she believes People Program provides an opportunity for us to become "learners for life." One of the first members of the Holy Spirit Parish to welcome People Program in 2004, this former elementary school teacher is "always

encouraging" as student Patricia Hughes says. She always knows what to say to keep her students interested in making progress. Helen credits Father Roy with creating an atmosphere where everyone wants to volunteer; while she might be shy about the accolade, we credit her with modeling what the spirit of volunteerism is all about. Thanks, Helen. The beauty of your handiwork is reflected in the life you offer others.

SMILE WITH US!!

To Be 6 Again...

A man was sitting on the edge of the bed, watching his wife, who was looking at herself in the mirror. Since her birthday was not far off he asked what she'd like to have for her birthday.. 'I'd like to be six again', she replied, still looking in the mirror. On the morning of her Birthday, he arose early, made her a nice big bowl of Lucky Charms, and then took her to Six Flags theme park. What a day! He put her on every ride in the park; the Death Slide, the Wall of Fear, the Screaming Roller Coaster, everything there was. Five hours later they staggered out of the theme park.. Her head was reeling and her stomach felt upside down. He then took her to a McDonald's where he ordered her a Happy Meal with extra fries and a chocolate shake. Then it was off to a movie, popcorn, a soda pop, and her favorite candy, M&M's. What a fabulous adventure! Finally she wobbled home with her husband and collapsed into bed exhausted. He leaned over his wife with a big smile and lovingly asked, 'Well Dear, what was it like being six again?' Her eyes slowly opened and her expression suddenly changed. 'I meant my dress size, you retard!!!!'

[The moral of the story: Even when a man is listening, he is gonna get it wrong.](#)
