Laugh Lines....

A first grade teacher collected old, well known proverbs. She gave each student in her class the first half of a proverb and had them come up with the rest:

As you make your bed....so shall you mess it up.

It's always darkest before....daylight savings time.

Don't bite the hand that....looks dirty.

The pen is mightier thanthe pigs.

An idle mind is....the best way to relax.

A penny saved is....not much.

You get out of something what....you see pictured on the box.

When the blind leadeth the blind....get out of the way!

Never underestimate the power of....termites.

Happy the bride....who gets all the presents.
