There is an abundant generous spirit at People Program. Our volunteer teachers, our caring students, and an enthusiastic staff make our campuses so inviting. This generosity is always witnessed from the donations collected from the Annual Appeal mailing that takes place in September.

This appeal is essential to the ongoing vibrant heartbeat that allows People Program to get better and better. The size of the donation matters not; please feel wonderful about whatever you can give. Ten dollar donations add up! Tuition alone cannot cover the cost of smooth operations, so even though each student pays \$150, we ask that an Annual Appeal donation be made also. Thank you for all that you do for this unique community. May God bless People Program.

Executive Director, Lynn Crean, is traveling to LePuy, France where the Congregation of St. Joseph was founded. She will be attending a conference along with other lay ministry leaders where she will have the opportunity to

deepen learning, nourish the imagination, and strengthen conviction in moving forward the mission "that all may be one." Bon Voyage!

For the past 3 years, People Program has reached out and supported **Lantern Light**, a New Orleans homeless shelter that provides showers, food, and other daily necessities that give respect and dignity to the indigent. We will once again remain loyal to this partnership, and we are asking members to bring food and other items during the month **of October**. A list of needs will be provided to both campuses along with a special bin in which to place your donations. Thanks so much for your past generosity; let's rally again!
