Laugh Lines...

The adventures of Harold....

A new teacher was trying to make use of her psychology courses. She started her class by saying, "Everyone who thinks they're stupid, stand up!" After a few seconds, Little Harold stood up. The teacher said, "Do you think you're stupid, Harold?" "No ma'am, but I hate to see you standing there all by yourself!"

Harold watched, fascinated, as his mother smoothed cold cream on her face. "Why do you do that, mommy?" he asked. "To make myself beautiful," said his mother, who then began removing the cream with a tissue. "What's the matter?" asked Harold, "Giving up?"

The math teacher saw that Harold wasn't paying attention in class. She called on him and said, "Harold! What are 2 and 4 and 28 and 44?" Harold quickly replied, "NBC, ESPN, FOX and The Cartoon Network!"
